

Save The Date - Thursday, November 12th!
The D & R Canal: Yesterday, Today, Tomorrow
AN EVENING FUNDRAISER WITH DR. RICHARD HUNTER

Join us at the **Prallsville Mill** in Stockton on a Thursday evening for food, conversation and a lighthearted presentation on the D & R Canal by Dr. Richard Hunter founder of Hunter Research. Dr. Hunter, Trenton archaeologist, park user and D & R aficionado, will escort waterway worshippers on a brief, but not too serious, excursion that reveals the canal in all its past, present and future glory.

The fundraiser, sponsored in part by the **Delaware River Mill Society** and the **D & R Canal Watch**, will be the culminating event in recognition of the canal's 175th anniversary. Mark your calendar and plan to come out for an enjoyable evening in support of the D & R Canal State Park!

TIME & DETAILS TO BE ANNOUNCED.

Check the D & R Canal State Park website for updates.
